Through the community's generosity, the Monroe County Parks and Recreation Foundation is able to support park improvements, recreation programs/events, and youth scholarships. All donations to the Monroe County Parks and Recreation Foundation are tax deductible to the fullest extent of the law. The Foundation is a 501 c(3) charitable not-for-profit organization. The Foundation accepts all forms of charitable gifts.

Youth Scholarships: Monroe County Parks and Recreation strives to enhance children's lives through recreation. Youth Scholarship donations provide assistance for those in need and allows Youth in our community to participate in after school programs and Karst Day Camp.

Disc Golf: The Karst Farm Park Disc Golf course is one of few 18-hole courses in Monroe County and we understand the importance of its preservation. Donations to

the Disc Golf Maintenance Fund are used specifically towards efforts to improve the Disc Golf course. Hole signage, tee pad improvement, course layout changes, and landscaping maintenance are all tended to using the Disc Golf donations.

Dog Park: Karst Dog Park is the only membership based dog park in Monroe County. Providing a clean and safe facility for our members and their furry friends is our top priority. Donations to the Dog Park maintenance fund assist us in doing so! Landscaping improvements, equipment/structure repairs, and improved signage are all items that are tended to using the Dog Park donations.

Bug Fest: Bug Fest has become a staple in the Monroe County Community. Bug Fest is free of charge, so the event relies heavily on contributions from the community to provide the event from year to year. Donations to Bug Fest assist in providing guest speaker fees, parking personnel, and equipment rental.
