

CHIP PNHSS, Housing Discussion, 4/14, 2pm

Stephanie Lafontaine, HAND program manager, Tonda Radewan, Eviction Prevention Project, Mary Morgan, Stephanie Richards, Annie Eakin

Collaboration with Heading Home and PNHSS and not duplicating efforts

- Unrestricted funding to meet basic needs (storage, pest control)
- Facility updates, modifications
- Gas vouchers, insurance, registration for vehicles (which sometimes double as housing)
- Mold testing kits
- Medical respite or hospice
- Research existing housing services to help with navigation-done in Heading Home guide
- Build upon research to produce flow chart of housing funding sources
- Sustainable funding source for supplemental services, does that belong as a task for Heading Home or PNHSS?
- Ask Mary for help if issues arise that involve Heading Home related topics and vice versa
