Opportunity	Strategies	Who Can Help? Me / Who is Missing?	Next Steps	Gaps
<p>control & knowledge - do it</p>	<p>Need to identify organizations already providing service</p> <p>Need to create framework, make sure information in FindHelp.org is current and how we can help update</p> <p>May need someone with responsibility to communicate with all organizations to help update information; would require permission to access info</p> <p>Need to discuss how 211 and FindHelp.org fit in</p> <p>Want place residents can go to get access to resources (e.g., Georgetown model for funding) Identify locations residents can access info (e.g. Indiana Recovery Alliance, Stride Center, HealthNet)</p> <p>May need to encourage people to call 988 instead of 211 for mental health</p>	<p>HealthNet</p> <p>IRA</p> <p>SCCAP</p> <p>All nonprofits</p> <p>211</p> <p>FindHelp.org</p> <p>START at IU</p> <p>Community and Family Resources (Michelle/Aubrey)</p>	<p>Tonda to forward recommendations from Community and Family Resources</p> <p>Talk to someone at City Community and Family Resources about updates (Kamala will talk to Michelle/Aubrey)</p> <p>Ask for brief history of 211 and FindHelp.org to understand relationships (Melanie)</p>	<p>Transportation – need to help people get to resources</p> <p>A lot of people don't speak English – won't go if they can't communicate</p> <p>People's schedules limit access to services</p> <p>More navigators – have some navigators at HealthNet, Community Kitchen, Hub, Helping BloomingtonMonroe</p> <p>Case work/management – those who provide are overwhelmed and there is a lot of turnover</p>

<p>Better Education About Resources</p>	<p>Need hub for education needed re: diet, health eating on budget, exercise, stress reduction, substance use, sleep, social interaction, healthy lifestyle (e.g. library, Banneker Center)</p> <p>Need to determine how information can be provided outside doctor's office</p>		<p>Ask other HealthNet staff (clinic manager) to come to next meeting</p> <p>Reach out to Mother Hubbard's Cupboard and Community Kitchen about their efforts (Annie)</p>	<p>Availability of healthcare providers</p> <p>Communications for warm hand off between providers</p> <p>Awareness of resources available</p> <p>Information hub for preventative care information</p>
