

Registering for SERV-IN

What is SERV-IN?

SERV-IN, an acronym for State Emergency Registry of Volunteers for Indiana, is a statewide electronic registration system of medical and non-medical volunteers who want to assist our public health and healthcare system during an event or disaster. The system is managed locally to register, credential and alert volunteers. When disaster strikes, you may be asked to volunteer at the local, state or national level depending on your credentials, interest and availability.
