Applicant Education/Work History

Brief Description of Work history:

Master electrician in the state of Kentucky since 2012. Have taught at the Independent Electrical Contractors Association of the Bluegrass for 5 years where I have helped apprentices develop the necessary skills to become qualified licensed electricians. I have 20 years in of experience in residential, commercial, and industrial electric. I have completed and passed the ICC t-18, kentucky masters and journeyman exam, and I am licensed in the state of Ohio as an electrical contractor. I have also been licensed and registered with the licensing board in Indianapolis. However, that is up for renewal and we are simultaneously working towards renewing that licensing as well as Monroe County.
