FOR IMMEDIATE RELEASE
November 20, 2019

Veteran Health Indiana to hold dedication Ceremony For new Bloomington Indiana primary care clinic

Veteran Health Indiana is holding a Dedication ceremony for a new clinic in Bloomington, Indiana. On December 12, 2019 at 2 PM, Veterans, media and the public are invited to attend a dedication ceremony at 2100 South Liberty Drive, Suite B, Bloomington, IN 47403.

The clinic, operated by VALOR HEALTH CARE, continues to expand the services offered by VA to Veterans in the Bloomington, Bedford, Ellettsville, Spencer and Nashville communities.

The new location will be open for tours with VA representatives on hand to discuss health care enrollment and clinic operations.

This clinic replaces the former VA clinic in the area.

In addition, Veteran Health Indiana continues to serve Veterans at the existing Mental Health clinic.

All Veterans, Veteran family members, local media and the public are invited to attend. We appreciate our colleagues in the media for their willingness to engage Veterans and help communicate VA issues.
